## WE NEED YOUR HELP...

This is YOUR newsletter. We seek articles and topics of interest to you and your colleagues working in SCI. We depend on YOU to pass on this information to us direct, the editorial team, or alternatively via your centre's MASCIP link person.

Articles can be sent in at any time. Have you participated in a new initiative, implemented a change or development in practice, had an interesting experience, received a patient's view? ... PLEASE LET US KNOW.

## LIST SERVER...

With over 600 members now registered, the MASCIP Committee is in the process of setting up a list-server facility on its website with the support of Stewarts Solicitors, our website sponsors. For those of you unfamiliar with this facility, a list-server is a web-based tool which will allow MASCIP members to e-mail other listed members and exchange information or viewpoints of topical interest. Only registered MASCIP members will be able to use this facility via a

members-only link on the website. If you wish to sign-up for this facility in advance, please e-mail [paul.harrison@sth.nhs.uk](mailto:paul.harrison@sth.nhs.uk) with the name under which you are entered on the MASCIP register and the e-mail address you wish to use. Please note that if you have changed your address or place of work since your original registration, you will need to update your registration details by emailing [anji.aykroyd@buckshosp.nhs.uk](mailto:anji.aykroyd@buckshosp.nhs.uk), our Membership Secretary.
